What is covered	What is not covered

Settling claims

Insurers will decide whether to pay the cost of repairing or replacing the part of **your buildings** damaged or destroyed or make a payment in respect of the damaged parts if:

the sum insured is enough to rebuild **your buildings**;

the repair or rebuilding is carried out as soon as possible after **Insurers** give **our** approval (other than emergency repairs, which should be carried out without delay); and

your buildings are in a good state of repair.

If the loss or damage to **your buildings** is not repaired or replaced as **Insurers** have explained above, **Insurers** will then decide to pay either:

the cost of repairing or replacing the damage, less a deduction for **Insurers** wear and tear; or

the difference between the market value of the **buildings** immediately before the damage and its value after the damage.

Insurers will not pay the cost of replacing any undamaged or unbroken item or parts of items forming part of a pair, set, suite or collection of the same type, colour or design if the damage happens to one particular area or to a specific part and replacements cannot be matched.

If **Insurers** have discounted the premium for this section because **you** have not made any claims, **Insurers** may reduce or remove the discount if **you** make a claim.

Sum insured

The most **Insurers** will pay under Section one: Buildings is the sum insured for **buildings** shown on the **schedule** and adjusted in line with index linking. This includes the extra expenses and fees listed under Extra benefit 2 (Building fees and the cost of removing debris) in Section one: Buildings.

Under-insurance

If at the time of any loss or damage the cost of rebuilding the whole of **your buildings**, in a new condition similar in size, shape and form, is more than the sum insured for **buildings**, **Insurers** will pay only for the loss or damage in the same proportion.

For example, if the sum insured for **buildings** only covers two-thirds of the cost of rebuilding **your buildings**, **Insurers** will only pay two-thirds of the claim.

Maintaining the sum insured

After **Insurers** have settled a claim, **Insurers** will maintain the sum insured for **buildings**, as long as **you** take any reasonable measures **Insurers** suggest to prevent any further loss or damage. (**Insurers** will not charge any extra premium for maintaining the sum insured for **buildings**.)

Index linking

The sum insured will be index linked and will be adjusted in line with the changes in the House Rebuilding Cost Index produced by the Royal Institution of Chartered Surveyors.

If **you** make a claim, index linking will continue during the period when the repair or rebuilding is being carried out, as long as **you** take reasonable action for the repair or rebuilding to be carried out without delay.

Insurers will not make a charge for index linking during the **period of insurance**. However, each time **your** insurance is renewed, **Insurers** will work out a new premium for the adjusted sum insured

Settling claims

Basis of settling claims

For any item of **contents** that is lost or damaged **Insurers** will at **our** option –

- replace or repair the item or part as new; or
- pay the cost of replacing or repairing the item or part as new; or
- if **Insurers** can repair or replace the item or part but agree to **your** request to make a cash payment instead it will not be more than the amount it would have cost **us** to replace or repair the item using **our** own suppliers; or
- if no equivalent part or replacement item is available, pay the full cost of the item without any deduction, providing the sum insured is adequate.

Insurers will take off an amount for wear and tear for clothing and household linen.

Insurers will not pay the cost of replacing any undamaged or unbroken item or parts of items forming part of a pair, set, suite or collection of the same type, colour or design if the damage happens to one particular area or to a specific part and replacements cannot be matched.

If **Insurers** have discounted the premium for this section because **you** have not made any claims, **Insurers** may reduce or remove the discount if **you** make a claim.

Sum insured

The most **Insurers** will pay under Section two: Contents is the sum insured for **contents** shown on the **schedule**, plus any index linking.

Under-insurance

If at the time of loss or damage the full cost of replacing **your contents** as new is more than the sum insured for **contents**, **you** will have to pay a share of the claim. For example, if the sum insured for **contents** only covers two-thirds of the replacement value of **your contents**, **Insurers** will only pay two-thirds of the claim.

Maintaining the sum insured

After **Insurers** have settled a claim, **Insurers** will maintain the sum insured for **contents**, as long as **you** take any reasonable measures **Insurers** suggest to prevent further loss or damage. (**Insurers** will not charge any extra premium for maintaining the sum insured for **contents**.)

Index linking

The sum insured will be index linked. This means that the sum insured will be adjusted in line with changes in the National Statistics Retail Price Index.

If **you** make a claim, the index linking will continue during the period when the repair or replacement is being carried out, as long as **you** take reasonable action for the repair or replacement to be carried out without delay.
